

Social Media Takeover

Are you active on campus and participate in activities, events, clubs? Do you take pride in sharing about your schoolwork and courses on social media? Are you someone other students can go to for advice or answer questions regarding your studies? Then you might be interested in taking part in a Student Social Media Takeover!

What Is A Social Media Takeover?

Students will be creating content for Arizona College's social media pages to share their experiences as a student through their eyes and voice. Takeovers are generally used to showcase student life at Arizona College whether that be a day in the life, a class, or an organization. Our audience ranges from prospective students to parents and alumni. You may sign up for a takeover on your own or as a representative of a student organization.

Application

If you're interested, please fill out the following questionnaire and send it to social@arizonacollege.edu.

**Submitting an application does not guarantee selection for a takeover.*

First Name:
