

Arizona College of Nursing Professional Licensure Disclosure

Arizona College of Nursing has made reasonable effort to determine graduate eligibility for licensure for programs advertised as leading to licensure. Students who are located in states other than Arizona, Nevada, Texas, Florida, Utah, California, or plan to relocate, should research any certification or employment requirements for their respective chosen state.

Program	Profession	Program does not lead to licensure or licensure not required in the following states:	Curriculum meets the state educational requirement for licensure or certification in the following states:	Curriculum does not meet the state educational requirements for licensure or certification in the following states:	Not determined if curriculum meets the state educational requirements for licensure or certification in the following states:
